

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$110,250	\$206,750	Ahtna	ANCSA Section 14c conveyance	complete outstanding section 14c Ind conveyances and clear title to land	Copper River and Glenallen
\$6,142,050	\$6,142,050	Ahtna	Copper River Basin 2D Seismic	project will delineate areas believed to hold significant oil and natural gas in region	Glenallen, Copper River Basin
\$5,830,000	\$6,142,050	Ahtna, Inc.	Copper River Basin Seismic	Will delineate areas believed to hold significant natural gas reserves.	Copper River, AK
\$110,250	\$206,750	Ahtna, Inc.	ANCSA Section 14© Conveyances	To complete outstanding Section 14© land conveyances.	Copper River, AK
\$1,000,000	\$5,290,720	Aiding Women in Abuse & Rape Emergencies (AWARE)	AWARE Extended Stay Housing and Supportive Services	Construction of transitional housing for sexual/domestic violence survivors and their children.	Juneau, AK
\$1,800,000	\$1,800,000	AirDat	TAMDAR-U System for AK Climate and Atmospheric Research	Would equip up to 16 ScanEagle Unmanned Aerial System aircraft with AirDat's TAMDAR-U atmospheric sensors	UAF
\$150,000	\$150,000	AK Fisheries Development Foundation	AK Symphony of Seafood 2011	To provide for an event and reception which promotes and recognizes technological advancements in the fisheries industry	Anchorage, AK
\$156,000	\$156,000	AK Fisheries Development Foundation	At-Sea Testing of Salmon-Excluder Technology	To conduct at-sea tests of salmon excluder "flapper panels" scaled for use by large factory trawler catcher-processors.	Dutch Harbor, AK
\$299,000	\$299,000	AK Fisheries Development Foundation	Utilization of Seafood Processing Waste, Mobile Processing Unit	To provide design and site preparation components to build a Modified Silage Mobile Demonstration Plant	Naknek, AK
\$54,500	\$366,500	AK Fisheries Development Foundation	Seafood Technology Curriculum Development	Develop vocational apprenticeship program to address fisheries employment needs at three levels, high school, undergrad an graduate.	Statewide
\$747,500	\$933,500	AK Fisheries Development Foundation	Pacific Ocean Shelf Tracking System Extension to Unimak Pass	To deploy a large-scale telemetry network in the Unimak Pass region to manage salmon return.	Unimak Pass, AK

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$2,850,000	\$11,494,193	AK Laborers' Training Trust	AK Laborers Training School	Construction of a nonprofit educational facility for vocational outreach.	Anchorage, AK
N/A	N/A	AK Native Corps.	Repeal Sec. 811 FY10 Defense Authorization Bill.	Language request to repeal Sec. 811 from the FY10 Defense Authorization Bill.	Alaska
\$500,000	\$500,000	AK Native Harbor Seal Commission	AK Native Harbor Seal Co-Management	Funding needed to continue collecting harvest data for harbor seal management.	Anchorage, AK
\$950,000	\$125,000,000	AK Natural Gas Development Authority (ANGDA)	AK PROPANE Project	To extract propane from the North Slope and distribute it along AK's road and river systems.	Anchorage, AK
\$310,000	\$310,000		Stellar Sea Lion Conservation and Co-Management	Protects Stellar Sea Lion subsistence in AK through Alaska Native/Federal Partnership and helps recover the species through the collection of bio-samples	SE Alaska
\$500,000	\$500,000	AK SeaLife Center	Marine Mammal and Seabird Rehab	Maintain veterinary capability at AK SeaLife Center for treatment of seabirds, walrus, etc	Seward
\$2,200,000	\$2,200,000	AK SeaLife Center	Marine Mammal Research and Rehab	Continue ongoing research into decline in marine mammal populations in North Pacific	Seward
\$1,000,000	\$1,000,000	AK SeaLife Center	Steller Eider Research	Pay for cost of care and feeding AK genetic stock captive breeding population	Seward
\$350,000	\$350,000	AK SeaLife Center	Climate Change and Ocean Acidification Education	Expand education programs related to marine ecosystems, climate change and ocean acid.	Seward
\$2,500,000	\$6,000,000	AK Wildlife Conservation Center	BEARS of AK	To build a bear interpretative center with education at its core.	Anchorage, AK
\$12,500,000	\$2,500,000	AK-DOT/PF Aviation Division	Alaska Aviation Safety Project	Enhances and extends existing ADS-B systems and created a redundant back up system	Anchorage, AK and the Mat-Su Valley
\$2,500,000	\$12,500,000	AK-DOT/PF-Aviation Division	Alaska Aviation Safety Project	This projected was started by Sen. Stevens and is a continuing project. Several CR's curtailed funding	Anchorage/Mat-Su

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$5,000,000	\$45,000,000	Akutan, Alaska	Akutan Geothermal Development Project	Development of a 10-15 megawatt geothermal power plant and direct use heating system on Akutan Island.	Akutan, Alaska
\$2,400,000	\$16,000,000	Akutan, Alaska	Akutan Harbor Service Facilities	Floats, lighting, O&M facilities for the Akutan Harbor currently under construction.	Akutan, Alaska
\$2,250,000	\$4,850,000	Akutan, Alaska	Akutan Water / Wastewater System	Provide a variety of water and wastewater improvements for Akutan, and improvements to infrastructure including Akutan Harbor and Akutan Airport.	Akutan, Alaska
\$4,300,000	\$12,000,000	Akutan, Alaska	Akutan Harbor Access Road	Design and construction of 2.5 miles of roadway between the city and harbor (scheduled to begin construction Spring 2010), and to link marine link facilities for the airport.	Akutan, Alaska
\$5,656,802	\$500,000	Alaska Addiction Rehabilitation Services Inc.	Nugen's Ranch Replacement Facility	Constructs a new residential 32 bed substance abuse facility to replace an existing one	Point McKenzie, AK
\$9,500,000	\$9,500,000	Alaska Aerospace Corps.	Kodiak Launch Complex Sustaining Operations	Keep and maintain KLC facilities and key launch personnel in an operational ready state to support our DoD space protection program as the sustaining funds from the Missile Defense Agency go away and a more broad-based DoD source of sustaining funds becomes available.	Kodiak, Alaska
\$500,000	\$1,500,000	Alaska Mobility Coalition	AMC's Bus and Bus Facilities Partnership in AK	This project would provide the statewide purchasing of buses and/or vans, bus facilities, transit technology, preventative maintenance and other appropriate capital projects that enhance the transportation option for seniors, low income Alaskans and people with disabilities	Statewide

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$371,065	\$371,065	Alaska Native Heritage Center	Parking Expansion and Walkway	Adds 48 spaces for the Alaska Native Heritage Center's parking lot and adds a walkway to aid in wheelchair accessibility	Anchorage, AK
\$728,000	\$178,000	Alaska Native Justice Center	Adult Re-Entry Program	Promotes the effective re-entry of adult offenders back into communities upon release from prison or jail	Anchorage, AK
\$408,000	\$178,000	Alaska Native Justice Center	Domestic Violence and Sexual Assault Victim Advocacy	Provides comprehensive services, with safety planning as a priority, to victims of sexual assault and domestic violence	Anchorage, AK
\$32,000,000	\$80,000,000	Alaska Railroad Corporation	Positive Train Control (PTC) Collision Avoidance System	Continue to implement a communication-based Positive Train Control System known as Collision Avoidance System at	Alaska
N/A	N/A	Alaska Railroad Corporation	Reprogram Alaska Railroad Luminescent Grade Crossings Improvements to Positive Train Control (\$1.0M)	Reprogram \$1.0M under FY05 DOT, Federal Railroad Admin, Grade Crossing and Innovative Tech Initiative program to support Alaska Railroad's implementation of positive train control.	Alaska
\$3,500,000	\$76,000,000	Alaska Railroad Corporation	Anchorage Ship Creek Intermodal Facility	Support Phase 2. Demolish existing metal building, construct an efficient passenger amenities building and relocate utilities underground. Enlarge existing parking lot, construct new drop off and transportation plaza for buses, taxis, baggage and passengers, upgrade street and pedestrian amenities along adjacent 1st Ave, and support portion of Phase 3 design.	Anchorage, Alaska
N/A	N/A	Alaska Railroad Corporation	LAND CONVEYANCES, EIELSON AIR FORCE BASE TO DELTA JUNCTION,	Authorize conveyance of federally owned land for a railroad corridor to extend the existing railroad system from Eielson AFB, Alaska, to access the Delta	Delta Junction, Alaska

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
N/A	N/A	Alaska Railroad Corporation	Reprogram C Street Railroad Bypass (Anchorage) to Fairbanks Rail Line Relocation	Reprogram \$2.0M under DOT, Federal Highway Admin, Sec. 115 funds.	Fairbanks North Star Borough, Alaska
\$2,000,000	\$31,000,000	Alaska Railroad Corporation	Nenana Rail Line Relocation	Eliminates mainline highway/rail crossings in communities. Complete final design and engineering.	Nenana, Alaska
\$1,000,000	\$50,000,000	Alaska Railroad Corporation	Fairbanks Area Rail Line Relocation - Phase I: City of North Pole	Complete the ongoing environmental assessment (80% complete) for relocating the Alaska Railroad main line out of downtown North Pole. Will provide improvements in safety by eliminating up to 10 highway/rail crossings along the Richardson highway and throughout North Pole.	North Pole, Alaska
\$9,500,000	\$37,000,000	Alaska Railroad Corporation	South Wasilla Rail Line Relocation	Initiate construction of a project to straighten back-to-back curves along the mainline track in South Wasilla.	South Wasilla, Alaska
N/A	N/A	Alaska Railroad Corporation	Reprogram Ft. Wainwright/Eielson AFB Track Realignment to Joint Tanana Range Access	Reprogram funds under FY07 Defense Approps Act for "Ft. Wainwright/Eielson AFB Track Realignment" (\$12.0M) to include the project under FY09 Def. Approps Act "Joint Tanana Range Access". Reprogramming is needed for the FY07 funds, which will construct a bridge.	Tanana, Alaska
\$350,766K	\$697,033K	Alaska Resource Education	Virtual Mineral Industry Quests	Virtual quests of mineral resource locations, providing educators with unbiased, scientific, and career-centered curricula in a geospatial technology format	Alaska, Statewide
\$500,000	\$750,000	Aleutian Pribilof Island Community Development Association	Atka Harbor Feasibility Study	Feasibility study to improve Atka Boat Harbor.	Atka Boat Harbor, Atka Island, Alaska

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$5,000,000	\$15,000,000	Aleutian Pribilof Island Community Development Association	St. George Harbor	Complete harbor dredging and extend and reconfigure breakwater in St. George harbor in the Pribilof Islands, Alaska.	St. George, Alaska
\$744,800	\$148,960	Aleutian Pribilof Islands Association, Inc	Aleutian Pribilof Island Region Repatriation Program	Funds the hiring and support of a full-time repatriation coordinator	Aleutian Pribilof Island Region
\$250,000	\$1,000,000	Aleutian Pribilof Islands Association, Inc (APIA)	Revitilzation of the Indigenous Aleat Language	Development of Rosetta Stone immersion-based digital language learning course for the Aleut language. Funds will be used for program operations to administer the project.	Aleutian Pribilof Region, Alaska
\$3,000,000	\$3,000,000	Aleutian Pribilof Islands Association, Inc (APIA)	Assisted Living Home-Alaska Native Greenhouse Pilot Project	design and construct a Native 10-bed Assisted Living Home for Aleut Elders utilizing the national Greenhouse model	Aleutian Pribilof Region, Alaska
\$100,000	\$135,000	Aleutian Pribilof Islands Association, Inc (APIA)	Health Promotion/Disease Prevention Trails and Equipment	Materials to develop walking trails and provide fitness equipment for the APIA region to encourage exercise programs for diabetics and youth	Aleutian Pribilof Region, Alaska
\$15,000,000	\$15,000,000	Aleutian Pribilof Islands Association, Inc (APIA)	Energy Innovation "Green" Health Care Facility	"Green" health care facilities including a 1) Clinic in Atka 2) Multi-purpose Clinic Facility in Nikolski 3) Hospital in Unalaska/Dutch Harbor 4) St George	Atka, Nikolski, Unalaska, and St George
\$825,000	\$825,000	Aleutian Pribilof Islands Association, Inc (APIA)	New 250,000 gallon water storage tank	Demolition of a 25 yr old structurally damaged water tank and design and construct a new water storage tank	Nelson Lagoon, Alaska
\$500,000	\$500,000	Aleutian Pribilof Islands Association, Inc (APIA)	Energy Efficient Construction and Training Program	APIA is proposing to partner with the Univ of Alaska-Aleutians Interior Campus in Unalaska and the Aleutians Housing Authority to train students in the construction skills identified by Alaskan employers	Unalaska, Alaska

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$6,000,000	\$6,000,000	Aleutians East Borough	Cold Bay Airport Apron	To design and construct an airport apron and taxiway at the new terminal at Cold Bay airport	Cold Bay, AK
\$100,000 + report language	\$135,000	Aleutians East Borough	Nelson Lagoon, AK Erosion Control	To examine erosion control options to protect the coastal village of Nelson Lagoon in the AI	Nelson Lagoon, AK
\$8,840,000	\$7,800,000	Alkan Shelter, LLC	C4 Module EMI Electronics Shelter	Develops a suitable, cost-effective, light weight shelter system for the full array of sophisticated electronic test equipment	Fairbanks, AK
\$9,200,000	\$4,400,000	Alkan Shelter, LLC	Carbon Container Systems MCSET-41 for the USMC	Manufactures six additional MCSET-41 carbon composite, rigid wall, expandable shelter to complete the USMC acquisition objective	Fairbanks, AK
\$6,720,000	\$3,000,000	Alkan Shelter, LLC	Developmental Test and Evaluation for Future Tactical Truck Composite Shelter and Retrofit of Current Vehicle Shelters	Continues Phase 3 to complete testing and prototype development of composite shelters for the current and future fleet of military tactical vehicles	Fairbanks, AK
\$3,000,000	\$2,200,000	Alkan Shelter, LLC	Expandable Rigid Wall Composite EMI Shelter	Develops an EMI hardened, expandable, composite constructed rigid wall shelter for the US Marine Corps	Fairbanks, AK
\$5,230,395	\$5,230,395	Allen Marine and Central Council Tlingit Haida Tribes of AK	Allen Marine/ CCTHITA Short Sea Transportation Initiative	Provides funding for the operation of a U.S. vessel to run a feeder route between the villages of Angoon, Kaka, Juneau, Tenakee, Pelican and Sitka	Southeast AK
\$825,000	\$825,000	Aluetian Pribilof Islands Assoc.	New water storage tank	Demolish 25 year old, structurally damages water tank, design and build new one.	Nelson Lagoon, AK
\$715,000	\$45,000,000	Aluetian Pribilof Islands Assoc.	Water Transmission Line Replacement	Replace and Relocate 3+ miles of water transmission line	Nelson Lagoon, AK

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$350,000	\$155,000	Anchorage Community Land Trust	Mountain View Community Connectivity	Employs community outreach coordinators to support Mountain View residential and commercial redevelopment initiatives	Anchorage, AK
\$1,150,000	\$2,000,000	ANT, LLC	Acoustic Search Glider	Modification of the Littoral Glider for use as an automated underwater search system capable of detecting, locating and reporting the location of underwater locator beacons from aircraft lost at sea.	Anchorage, Alaska
\$3,750,000	\$20,000,000	Association of Village Council Presidents	AVCP Yup'ik Museum and Essential Services Building	Planning and feasibility studies / architectural and engineering design for AVCP Yup'ik Museum and Essential Services Building	Bethel, Alaska
\$1,500,000	\$2,500,000	AVCP	Regional manufacturing and testing facility	Creation of a renewable energy technology center and green homes modular manufacturing and construction facility	Bethel, AK
\$1,372,800	\$1,372,800	AVCP	Village Public Safety Housing	housing for public safety officers	Kalskag, Pilot Station, Mtn Village, Quinhagak
\$475,000	\$575,000	Bering Straits Native Corporation	Improving Access to the Pilgrim River	Provides for the engineering of a boat landing to the Pilgrim River	Nome, AK
\$820,000K	\$2,320,000	Bering Straits Native Corporation	Characterization of Geothermal Resources of the Bering Strait Region	Classify and characterize geothermal potential between known sites and the area's communities, with the goal of targeting sites closer to communities that might be developed through Enhanced Geothermal Systems technology for future power production	Nome, Alaska and Seward Peninsula / Norton Sound Region
\$0	\$0	Bristol Bay Borough	Naknek SAFETEA-LU Reauth	Reprogam bridge funds to highways	Bristol Bay
\$61,000,000	\$900,000	BTS Professional Services, LLC	Global Climate Change Research Facility Design and Engineering Completion	Supports the complex Arctic design and engineering of Phase II of the Barrow Global Climate Change Research Facility	Barrow, AK

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$967,533	\$967,533	Central Council Tlingit and Haida Indian Tribes of Alaska	Southeast Alaska Native Cultural Center and Tribal College	Project will create jobs in economically-disadvantaged rural areas, train future workers, and preserve Native cultures	Juneau, Alaska
\$5,000,000	\$5,000,000	Challenger Learning Center of Alaska	Survival and Offshore Emergency Training Facility	This facility could save the lives of our Alaskans residents, our transient workers, military and other personnel involved with the aviation industry	Kenai, Alaska
\$30,000	\$1,200,000	Chenega IRA Council	Community Building Construction; Phase I	Upgrades the Chenega Community Building to ensure ADA compliance and encourage energy efficiency	Chenega, AK
\$2,060,000	\$60,000	Chenega IRA Council	Breakwater Planning and Engineering	Completes infrastructure planning, engineering and design for a boat harbor breakwater to protect native fishing boats from storm damage	Chenega, AK
\$2,260,000	\$1,270,685	Chenega IRA Council	Road Upgrades	Designs and constructs 2,800 feet of roadway and utilities, which will connect the village to land base to develop tribal housing	Chenega, AK
\$950,000	\$2,000,000	Chignik Regional Aquaculture Association	Black Lake Aquatic Ecosystem Restor.	Prepare Corps GI feasibility report and EIS	Chignik
\$6,733,016	\$7,683,000	Chilkat Indian Village	Jilkaat Kwaan Cultural Heritage Center	16000 sq ft museum quality structure to display and store tribal artifacts where visitors can learn about Chilkat Tlingit culture through exhibits and demonstrations	Klukwan, Alaska
N/A	N/A	Chugach Alaska Corp.	Sec. 8016 Language	Continuation of language in Sec. 8016 of FY10 DoD Appropriations Bill, provided that exceptions in subsection (b) are included.	Anchorage, Alaska
\$5,000,000	\$5,000,000	Chugach Alaska Corp.	Rehabilitation of U.S. Military Facilities at Kwajalein	Rehab of degraded facilities at ASAKA/RTS installation Kwajalein Atoll.	Kwajalein Island, Alaska

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$500,000	\$500,000	Chugach Regional Resources Commission	Chugach Regional Resources Commission	Supports the base operating expenses of the CRCC and the Alutiiq Pride Shellfish Hatchery	Anchorage, AK
\$1,000,000	\$1,000,000	CITC	Integrated AK Native Education	To enhance and extend the duration of elementary education program for Winds of Change program	Anchorage
\$500,000	\$500,000	City of Cordova	Feasibility Study for Proposed Breakwater Extension	The City is proposing the completion of a feasibility study by the U.S. COE for a proposed breakwater extension at the Cordova small boat harbor	Cordova, AK
\$65,000,000	\$12,500,000	City and Borough of Sitka	Sitka Blue Lake Hydroelectric Expansion	Raises the height of the existing dam and upgrades existing generators to improve capacity	Sitka, AK
\$25,988,459	\$2,513,000	City and Borough of Sitka	Sitka Sawmill Cove Industrial Park Bulkhead Project	Creates a multi-purpose dock facility including a sheet pile bulkhead cargo and freight dock	Sitka, AK
\$20,000,000	\$20,000,000	City and Borough of Sitka	Construct and Repair Breakwaters in and around Sitka Harbor	Construct and Repair Breakwaters in and around Sitka Harbor	Sitka, AK
\$7,350,000	\$26,000,000	City and Borough of Sitka	Road and Utility Upgrades	Upgrades of deteriorating roads and infrastructure on Japonski Island	Sitka, AK
\$900,000	\$900,000	City of Coffman Cove	Coffman Cove Archaeological Project	Project would fund an archeological dig for 3 years.	Coffman Cove, AK
\$1,000,000	\$1,994,000	City of Coffman Cove	Coffman Cove Barge Ramp	Construction of an elevated concrete dock with electric dock hoist for loading vessels.	Coffman Cove, AK
\$900,000	\$900,000	City of Coffman Cove	Coffman Cove Marine Repair Building	Coffman Marine Repair is a facility to store and repair commercial fishing boats.	Coffman Cove, AK
\$500,000	\$500,000	City of Cordova	Breakwater Feasibility	Breakwater feasibility study for Cordova small boat harbor	Cordova
\$2,000,000	\$20,000,000	City of Cordova	Construct Cordova Center	facility construction	Cordova

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$12,878,250	\$12,878,250	City of Fairbanks	Hamilton Acres Subdivision Road Rehabilitation and Reconstruction	Existing streets were constructed in 1975. The mix of chip and asphalt concrete pavement surfaces are raveling and the structural section is failing to a condition that is beyond the City's ability to patch and maintain. The project consists of reconstructing 51,513 lane miles of residential street	Fairbanks, Alaska
\$2,760,000	\$6,600,000	City of Hoonah	Hoonah Marine Industrial Center Phase 3	Phase 3 consists of a boat yard maintenance and the construction of a repair facility	Hoonah, AK
\$2,250,000	\$1,000,000	City of Hoonah	Keidladee Park Project	Funds the construction of Hoonah's first public access daylight restroom facilities	Hoonah, AK
\$5,500,000	\$4,283,650	City of Hoonah	Raw Water Transmission Line Replacement	Replaces and upgrades existing 29,000 foot raw transmission line	Hoonah, AK
\$65,000,000	\$65,000,000	City of Hoonah	Hydroelectric Power and Road Access to Pelican	Funds the study and construction of one lane road between Hoonah and Pelican, along with power transmission lines from the Pelican Hydropower source, whose creation is also funded through this project	Hoonah, AK
\$6.5M	\$29.8M	City of Kenai	Kenai River Bluff Erosion Stabilization Project	Construct erosion control structure along 5,000 lf of the north shore at the mouth of the Kenai River.	Kenai, Alaska
\$1,100,000	\$2,000,000	City of Kenai	Wastewater Treatment Plant Upgrades, Phase I	Construct wastewater treatment plant improvements in accordance with a master plan. These improvements include installation of a new belt filter press, activated sludge system improvements, and an expansion to the existing control building	Kenai, Alaska
\$1,500,000	\$5,500,000	City of Kenai	Kenai Community Library Expansion	Construct a 10,000 s.f. addition to existing library.	Kenai, Alaska
\$1,000,000	\$26,000,000	City of Ketchikan	Replacement Project	Berths I and II which are	Ketchikan, AK

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$5,000,000	\$5,300,000	City of Ketchikan	Bethel Substation Upgrade Project	Upgrade is required to meet demand and increase load growth due to electrical heating conversions.	Ketchikan, AK
\$1,000,000	\$19,050,000	City of Ketchikan	Whitman Lake Hydroelectric Project	To install a 4.6 MW of hydropower generating capacity at an existing dam.	Ketchikan, AK
\$7,000,000	\$76,000,000	City of Ketchikan	Ketchikan General Hospital Additions and Alterations Project	Continue upgrade of the principal hospital in southern Southeast AK region.	Ketchikan, AK
\$10,000,000	\$11,700,000	City of Ketchikan	Water Street Trestle #2 Replacement	The trestle is a hybrid structure constructed from concrete and timber, about 1,000 ft. in length.	Ketchikan, AK
\$750,000	\$9,000,000	City of Kodiak	Kodiak Sewer and Water Improvements	Will provide a new sewer line to the UV treatment plant	Kodiak, AK
\$500,000	\$4,500,000	City of Kodiak	Kodiak Heavy Lift Dock	This project will help advance a heavy ship repair facility in Kodiak by providing the capacity to to detach and improve the superstructure or other large sections of a ship prior to lifting it onto the Travelift.	Kodiak, AK
\$200,000	\$200,000	City of Kotzebue	Heating and Energy Efficiency Upgrades	To replace up to 9 of the City's existing boilers and heating units.	Kotzebue, AK
\$1,000,000	\$21,000,000	City of Kotzebue	North Shore Avenue Erosion Protection	To provide erosion protection along 3,000 lineal feet of Shore Avenue.	Kotzebue, AK
\$3,000,000	\$3,000,000	City of Kotzebue	Small Boat Harbor	To dredge a deeper channel and increase storage and mooring capacity.	Kotzebue, AK
\$9,500,000	\$9,500,000	City of Kotzebue	Water and Sewer Upgrades	Will allow city to continue to upgrade and replace its outdated sanitation utilities and infrastructure.	Kotzebue, AK
\$3,000,000	\$3,000,000	City of Kotzebue	Asphalt Repairs and Paving Equipment	To make needed repairs to 5th Avenue and Ted Stevens Way. Road is cracking and settling, leading to structural deficiencies.	Kotzebue, AK

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$6,000,000	\$20,000,000	City of Kotzebue	Cape Blossom Road and Deep Water Port	Completion of a 10-mile access road from Kotzebue to Cape Blossom.	Kotzebue, AK
\$750,000	\$750,000	City of Kotzebue	Dust Abatement and Asphalt Paving, Ted Stevens Way	This project will continue the city's dust abatement program by adding more pavement to its gravel dirt roads, referring to 2,500 ft. of dirt road from Cemetery road to Nanuaq Way	Kotzebue, AK
\$6,000,000	\$6,000,000	City of Kotzebue	Dust Abatement, Municipal Road Paving Continuation	Paving approximately 6,240 LF of dirt roads.	Kotzebue, AK
\$1,000,000	\$1,000,000	City of Kotzebue	Fire Fighting Equipment Replacement	Funding to replace Fire Dept.'s existing Aerial Truck and ladder.	Kotzebue, AK
\$250,000	\$250,000	City of Kotzebue	North Tent City, Municipal Upgrades	Upgrades to municipal park reserves will include constructing a new 16x20 structure for use by seasonal subsistence gatherers.	Kotzebue, AK
\$1,500,000	\$2,000,000	City of Petersburg	North Harbor Dredging	Dredge entrance channel and navigation channels to original authorized depth	Petersburg
\$1,800,000	\$1,800,000	City of Petersburg	Petersburg Water and Sewer Main Upgrades	Will pay for repair and upgrade of water and sewer mains in downtown Petersburg	Petersburg
\$500,000	\$1,095,000	City of Petersburg	Medical Center Clinic Expansion	Will expand waiting area, nurses station, add four exam rooms and room for telemedicine	Petersburg
\$500,000	\$8,000,000	City of Petersburg	Health and Safety Facility	Will pay small portion of cost of new public health and safety facility	Petersburg
\$2,744,646	\$7,551,240	City of Saint Paul	Landfill	To develop a new landfill near Polivina Hill.	Saint Paul, AK
\$1,400,000	\$2,611,000	City of Saint Paul	Repair Failed Outfall	Domestic outfall constructed by Indian Health Service failed.	Saint Paul, AK
\$2,000,000	\$2,000,000	City of Seward	Lowell Creek Flood Control	To study the feasibility of different flood control diversions to prevent flooding of Lowell Creek Tunnel and Seward	Seward, AK
\$500,000	\$2,000,000	City of Seward	Waterfront Improvements	To improve dock and waterfront infrastructure in Seward	Seward, AK

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$12,000,000	\$58,000,000	City of Unalaska	Unalaska Harbor	The funds would be used to finish the construction of the Unalaska Harbor Breakwaters	Unalaska, AK
\$1,500,000	\$6,500,000	City of Unalaska	Drinking Water Treatment Facility	The funds would be used to pay for a portion of the cost of a new drinking water treatment facility required by EPA's Long-Term 2 Surface Water Treatment Rule	Unalaska, AK
Reprogramming \$7,500,000	\$12,000,000	City of Unalaska	Unalaska Road Improvements	This reprogramming language is requested to re-name a project contained in SAFETEA-LU to allow money already in escrow to be used for local road improvements in Unalaska	Unalaska, AK
\$1,500,000	\$1,500,000	City of Wasilla	Lake Lucille Improvements	Dredging demonstration project to test viability of re-establishing groundwater flow through natural springs to improve lake water quality	Wasilla
\$3,200,000	\$5,800,000	City of Wasilla	Sewer Treatment Plant Improvements	Will upgrade existing lagoon system to improve treatment for nitrate reduction and construct new discharge point	Wasilla
\$4,550,000	\$2,500,000	City of Wasilla	Water Utility Improvements	Upgrades facilities to improve capacity and redundancy	Wasilla
\$4,700,000	\$18,000,000	City of Wasilla	Main Street Couplet	Two one way streets crossing Parks	Wasilla
\$3,100,000	\$3,100,000	City of Wasilla	Wasilla Airport Access Road	Will construct .9 miles of 2 lane paved rd to provide new access to airport	Wasilla
\$2,900,000	\$2,900,000	City of Wasilla	Wasilla Library Relocation and Renovation	Renovates newly acquired 20k sq ft bldg for public library. Existing library is 8k sq ft	Wasilla
\$4,000,000	\$38,000,000	City of Whittier, Alaska	Shotgun Cove Road	Continuing construction of an access road to Shotgun Cove.	Whittier, Alaska
\$5,000,000	N/A	Close Up Foundation, Alexandria, VA	Close Up Fellowship Program	Provides funding for economically disadvantaged students and their teachers to participate on Close Up Washington civic education programs.	National

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$7,950,000	\$1,500,000	Cook Inlet Housing Authority	Centennial Village Senior Housing and Community Wellness Center	20 units of affordable housing and 10,000 sq foot building containing space for elder focused activities/gatherings.	Anchorage, Alaska
\$800,000	\$7,700,000	Cook Inlet Housing Authority	Workforce Development Housing Project	Development that will include up to 38 units of affordable apartment-style workforce housing in close proximity to transportation, banking, shopping and services.	Anchorage, Alaska
\$1,200,000	\$1,200,000	Cook Inlet Regional Citizens Advisory Council	Cook Inlet Monitoring, Mapping and Infrastructure Evaluation	Comprehensive review of options for dismantlement, removal and restoration of abandoned Cook Inlet oil platforms.	Cook Inlet, AK
\$330,000	\$330,000	Cook Inlet Tribal Council	Reforestation Program for Spruce Bark Beetle Kill	AK Native and American Indian youth camp learn to reforest land after spruce beetle infestation	Kenai Peninsula
\$7,000,000	\$3,100,000	Copper Development Association	Compliance Tools Development for Metals in Antifouling Paints and Sediments	Develops a bioavailability model for copper and zinc assessment in estuarine/marine waters and alternative bioavailability-based cleanup targets for metals in sediments	TBD
\$4,500,000	\$4,500,000	Copper River Basin Regional Housing Authority	Indian Country Renewable Energy Facilities Demonstration Program	To develop renewable energy on tribal land to support AK Native housing units.	Glennallen, AK
\$2,000,000	\$19,700,000	Cordova Electric Coop	Humpback Creek Hydro Rehab.	Project destroyed by flood and repairs in progress	Cordova
\$436,760	\$687,474	Covenant House Alaska	Covenant House Alaska's Workforce Development and Outreach Program	WFD assists at-risk youth achieve long-term employment. The program provides intensive, targeted case mgmt for homeless youth seeking employment	Anchorage, Alaska
\$5,000,000	\$5,000,000	Crooked Creek Community Council	Crooked Creek Road to Resources	To provide road access to a highly mineralized area in the Upper Kuskokwim.	Sleetmute, AK

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
	LANGUAGE REQUEST	Crooked Creek Community Council	Crooked Creek Road to Resources Bill Language	Language to allow deviation from State road standards for vital project to provide access to highly mineralized area in Upper Kuskokwim area.	Sleetmute, AK
\$9,500,000		Eielson AFB	Auxiliary Heat Plant, Eielson AFB	Construct new auxiliary heat plant to comply with DoD antiterrorism/force protection requirement per the Unified Facility Criteria.	Eielson AFB, Alaska
\$13,600,000		Eielson AFB, Alaska	Replace Youth Center	Construct permanent youth center on Eielson AFB.	Eielson AFB, Alaska
\$6,500,000		Eielson AFB; 168th ANG	Add to Alter Communications Facility	Improve and add to the communication facility for the 168th Refueling Wing, ANG.	Eielson AFB, Alaska
\$5,000,000	\$1,000,000	Fairbank North Star Borough	Geothermal Energy Project	Continues research for geothermal energy which has the potential to produce clean energy, reduce home heating costs and improve air quality	Fairbanks North Star Borough
\$2,000,000	\$500,000	Fairbank North Star Borough	Wood Stove Replacement and Clean Air Attainment Program	Replaces out-of-date, polluting wood stoves with more efficient EPA-certified models	Fairbanks North Star Borough
\$1,000,000	\$500,000	Fairbank North Star Borough	Tanana Lakes Habitat and Wildlife Restoration	Supports the restoration of the Tanana Lakes Recreation Area	Fairbanks North Star Borough
\$2,000,000	\$1,000,000	Fairbank North Star Borough	LNG Fueling Stations and PM 2.5 Mitigation Project	Converts commercial trucks to LNG fuel and establishes one LNG fueling station to address clean air issues	Fairbanks North Star Borough
\$5,000,000	\$1,000,000	Fairbank North Star Borough	Road and Bridge Improvements	Provides for road improvements, such as maintaining bridges, culverts and roads, which allows for improved access for emergency vehicles	Fairbanks North Star Borough
\$10,650,000	\$8,000,000	Fairbanks Metropolitan Area Transportation System	FMATS - College Road Rehabilitation	Rehabilitates and repaves College Road between University Avenue and Danby Street	Fairbanks, AK
\$13,380,000	\$6,500,000	Fairbanks Metropolitan Area Transportation System	FMATS - Noble Street Upgrade	Reconstructs Noble Street from 1st Ave to Gaffney Road	Fairbanks, AK

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$9,090,000	\$8,230,000	Fairbanks Metropolitan Area Transportation System	FMATS - Plack Road Bike/Pedestrian Facility	Constructs a bike path and pedestrian facility along Plack road from Badger to Nelson road	Fairbanks, AK
\$4,043,000	\$3,700,000	Fairbanks Metropolitan Area Transportation System	FMATS - South Cushman: Mitchell Expressway to Sanduri	Resurface South Cushman from the Mitchell Expressway to Sanduri	Fairbanks, AK
\$750,000	\$750,000	Fairbanks Native Association	Hannah Solomon Building Renovation	Expand the Hannah Solomon building, the service center for FNA's Native Elder's Program. Create a meeting space, office space, a and room for private health screening and case management services	Fairbanks, Alaska
\$6,000,000	\$18,200,000	Fairbanks Pipeline Training Center Trust	Central Pipeline Training Facility	Construction of a Central Pipeline Training Facility.	Fairbanks, AK
\$144,800	\$186,300	First Alaskans Institute	Convene an AK Native Education Summit	To host a 2-day AK Native Education Summit in an effort to facilitate gathering of diverse voice together.	Anchorage, AK
\$3,250,000	\$3,250,000	Frontier Community Services, Inc	Frontier Community Services Program Services Complex	construction of complex, relocating from leased space in 30 yr old bldg	Kenai
\$26,000,000		Ft. Richardson, Alaska	Expand Physical Fitness Facility	Construct new addition onto the existing facility.	Ft. Richardson, Alaska
\$31,000,000		Ft. Wainwright, Alaska	Readiness Training Center	Construct new Readiness Training Center at Ft. Wainwright.	Ft. Wainwright, Alaska

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$6,000,000		Fugro	NOAA Hydrographic Surveying Backlog	The program will provide urgently needed, reliable, hydrographic data for nautical charting using existing GPS-based and acoustic marine surveying technology	National
\$7,500,000	\$60,000,000	Fugro	AK Digital Elevation Model and Airborne ISAR Mapping		Statewide
\$5,000,000	\$5,000,000	General Atomics	Alaska Industrial Supercritical Water Oxidation	Permit and demonstrate the treatment, storage and disposal facility while processing liquid military hazardous waste	North Pole, Alaska
\$224,850	\$224,850	Gulf of AK Coastal Communities Coalition	Gulf of AK Coastal Communities Coalition	Operational Funds	Anchorage, AK
\$500,000	\$10,200,000	Haines Borough	Boat Harbor Construction	To proceed with the Army Corps' "new start" funding for the construction of a boat harbor in Haines	Haines, AK
\$750,000	\$1,300,000	Haines Borough	Sewer and Water Improvements	Repair and upgrade of a decrepit sewer and water infrastructure.	Haines, AK
\$500,000	\$500,000	Haines Borough	Port Economic Development Study	Economic development and engineering study for Port Lutwak to determine its suitability to support the construction of a natural gas pipeline.	Haines, AK
\$2,000,000	\$2,200,000	Haines Borough	Road Improvements	To repair and repave arterial roads in Haines	Haines, AK
\$13,000	\$13,500	Hospice Center of the Central Peninsula	Camp Mend-A-Heart Teen Camp	Funds a free bereavement camp to give local teens and supportive environment to express their feelings about the loss of a loved one	Chugiak, AK
\$8,525,000	\$7,225,000	Inside Passage Electric Cooperative	IPEC Hoonah Hydro	Constructs a 1.3MW hydroelectric project	Hoonah, AK

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$350,000	\$600,000	Institute of the North	Critical Infrastructure in America's Arctic	Critical infrastructure and technology development studies and policy recommendations for the Circumpolar Arctic Region	Circumpolar Arctic Region
\$1,925,000	\$1,925,000	Interisland Ferry Authority	Hollis Terminal Project	Multi-phase project with dredging needed. Construction would also create expanded parking, Seaplane facility and construction shed.	Hollis, AK
\$5,600,000	\$7,000,000	Interisland Ferry Authority	Ward Cover Terminal Project	Construction of a terminal building with a ticketing office, maintenance, parking, and docking areas.	Ketchikan, AK
\$1,995,000	\$1,995,000	Juneau EDC	SpringBoard	Economic development for AK and the U.S. through Technology Transfer and STEM Education in support of the DoD	Based in Juneau, operating Statewide
\$2,000,000	\$15,000,000	Kake Triabl Corporation	Kake Tribal Corporation Land Transfer - Final Payment	Final USFS payment to KTC for the transfer of valuable timber lands that occurred after the passage of the Kake Tribal Corporation Land Transfer Act in the 106th Congress	Juneau, Alaska
\$3,959,000	\$3,959,000	Kenai Peninsula Borough	Diamond Ridge Fire Station	constructio of 7500 sq ft community fire station	Homer
\$2,135,700	\$2,373,000	Kenai Peninsula Borough	Donald Gilman River Center Expansion	Expanding multi-agency permitting, information and education center	Kenai Peninsula Borough
\$1,250,000	\$2,373,000	Kenai Peninsula Borough	Coastal Erosion Study	Develop regional understanding of coastal change hazards along Cook Inlet coastline within KPB	Kenai Peninsula Borough
\$1,750,000	\$23,000,000	Kenai Peninsula Borough	Spruce Bark Beetle Mitigation Program	Part of All Lands/ All Hands Action Plan which KPB is a member of	Kenai Peninsula Borough
\$4,997,375	\$6,688,000	Kenai Peninsula Borough	Bear Creek Fire Station	Fire station and multi-use facility is permitted and supported	Seward
\$450,000	NA	Kenai Penisula Borough	Donald E. Gilman River Center Projects	Continues with watershed assessment and characterization of priority watersheds	Kenai Peninsula Borough

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$2,139,000	\$1,789,000	Kenai Peninsula Borough	Nikiski Fire Station	Provides a critical water fill site for emergency equipment to respond to fires	Kenai Peninsula Borough
\$3,000,000	NA	Kenai Peninsula Borough	Flood Mitigation Project	Removes 500,000 cubic yars of sediment from the Seward area, upgrades culverts and imporves sediment carrying capacity under bridges	Kenai Peninsula Borough
\$1,250,000	\$1,250,000	Kenai Peninsula Borough	Seward Development Feasibility Study	Comprehensive evaluation of creating a distric safe from flood waters and tsunami inundation	Kenai Peninsula Borough
\$3,500,000	\$2,477,478	Kenai Peninsula Borough	Solid Waste Tansfer Facility and Site Modifcations	Develops and reconfigures the Homer Bailing/Landfill Facility into a transfer facility for the collection, segregation and transportation municipal waste	Kenai Peninsula Borough
\$2,477,000	\$2,477,000	Kenai Peninsula Borough	Solid Waste Transfer Container Replacement and Wildlife Resistant Upgrade Project	Funds the development of 41 wildlife resistant "roll off" waste transfer containers	Kenai Peninsula Borough
\$7,000,000	\$7,000,000	Kenai Peninsula Borough	Remote School Construction	Constructs a remote school for Kachemak, Selo, Razdolna and Voznesenka	Kenai Peninsula Borough
\$1,417,000	\$925,000	Kenai Peninsula Borough	Multi-School Re-Roofing, Window Replacement and Energy Conservation Upgrade	Re-roofs two schools and repalces windows in another	Kenai Peninsula Borough
\$587,680	\$2,999,563	Ketchikan Gateway Borough	South Tongass Volunteer Fire Department Fire Station 4	Completion of a new fire station including emergency generator, sprinkler system.	Ketchikan, AK
\$1,000,000	\$10,500,000	Ketchikan Gateway Borough	Borough Hall	Acquisition of essential community facility for public meetings, borough offices, etc.	Ketchikan, AK
\$425,000	\$425,000	Ketchikan Gateway Borough	Connell Lake Dam Safety	To repair and improve existing dam structure while also repairing associated support structures of supply line.	Ketchikan, AK
\$920,000	\$920,000	Ketchikan Gateway Borough	Gateway Recreation Center Roof Replacement	Current roof has corrosion and water intrusion.	Ketchikan, AK

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$150,000	\$600,000	Ketchikan Gateway Borough	Water Storage Tanks for Firefighting	The area served by the North Tongass Vol. Fire Department has no municipal water system, forcing them to haul water to scene of fire to extinguish.	Ketchikan, AK
\$200,000	\$240,000	Koahnic Broadcast Corporation	Reclaiming Central Yuk'ik Language and Culture	produce special broadcast and web material celebrating and preserving Central Yuk'ik language and story-telling traditions	Anchorage, Alaska
\$250,000	\$545,000	Koahnic Broadcast Corporation	Alaska Native Digital Literacy Pilot project	Train 4 early career Alaska Native participants in mulitimedia, new reporting, broadcast engineering, broadcasting, and web skills to provide job training in digital/new media and create potential opportunities for workforce development	Anchorage, Alaska
\$1,000,000	\$2,900,000	Kodiak Area Native Association	Construction of Regional Child Advocacy Center for Kodiak Island	Design and Construction of a regional Child Advocacy Center facility on Kodiak.	Kodiak, Alaska
\$2,000,000	\$5,900,000	Kodiak Area Native Association	Behavioral Health Integration and Expansion	Integrate and expand behavioral health services available on Kodiak Island by consolidating Tribal health providers and services into one appropriately designed facility. Will improve the delivery of health services and correct space deficiencies which impair the expansion of crucial behavioral health services.	Kodiak, Alaska
\$1,000,000	\$1,500,000	Kodiak Island Borough	Emergency Shelter	Will provide for the construction of an emergency shelter for the portion of the community that faces earthquake and tsunami threats	Kodiak, AK
\$1,365,000	\$1,500,000	Kodiak Island Borough	Long-term Healthcare Facility	This request would fund a portion of the planning and design for a new long term care facility	Kodiak, AK

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$1,500,000	\$2,000,000	Kodiak Island Borough	Road Safety Lighting	This project would fund a portion of the road lighting that is planned to be installed along the road that connects the City of Kodiak with the airport.	Kodiak, AK
\$500,000	\$1,000,000	Kodiak Island Borough	Waterfront Improvements	The project includes upgrades to the existing facility which will allow continued safe use. Specifically, the funds would be used to replace pilings and the deteriorating dock structure.	Kodiak, AK
\$7,500,000	\$18,000,000	KRD	AutoScan Integrated Base Security System	Funding enables integration and development of peripheral sensors	Homer
\$2,000,000	\$2,000,000	KTOO	Grants to Broadcasting Systems Program	makes possible local television stations to produce local programming	AK, ND, VT, ME
\$4,000,000	\$4,000,000	Maniilaq Association	Fiber Energy - Energy, Power, and Communication Infrastructure	Funding to explore ways to develop a sustainable economy, including natural gas exploration.	Kotzebue, AK
\$10,200,000	\$17,700,000	Maniilaq Association	Maniilaq Elder Care Addition	Continue and complete the construction of an 18 bed, long term nursing care wing co-located with the Maniilaq Health Center	Kotzebue, Alaska
\$400,000	\$1,200,000	Maniilaq Association	Suicide Prevention Strategy for the Northwest Arctic	Create a sustaining village-based culturally relevant suicide prevention team in every community in the Maniilaq service area.	Kotzebue, Alaska

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$35,000,000	\$43,750,000	Mantanuska-Susitna Borough	Ferry Landings	Full funding is requested for the construction of two ferry landings and associated road improvements to support the new ferry, the M/V Susitna. It is estimated that as many as 4,628 jobs will be created for Anchorage and Mat-Su residents as a result of developments at Point MacKenzie, including the ferry and landings. According to the Institute of Social and Economic Research, Anchorage will benefit with up to 1,271 jobs and \$202 million in annual income from the projected industrial development at Point MacKenzie created by the ferry infrastructure. Further, almost 3,000 commuters currently living in the western portion of the borough would have a two-hour shorter commute to Anchorage due to the ferry.	Mat-Su Borough, AK
\$6,000,000	\$6,000,000	Mantanuska-Susitna Borough	Hatcher Pass Ski Area	The Mat-Su Borough is developing the 11,000 acrea Hatcher Pass Ski Area into a regional Olympic-class ski area serving the borough, Eagle River/Chugiak, and north Anchorage communities. In order for the project to be successful, funding for several infrastructure improvements must occur.	Mat-Su Borough, AK
\$14,640,000	\$18,300,000	Matanuska Susitna Borough	Tyonek Ferry Terminal Landing	Design, engineer, conduct environmental review of, and construct the Tyonek Ferry Terminal Landing at Ladd Landing in Kenai Peninsula Borough	Ladd Landing, Kenai Peninsula Borough

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$7,500,000	\$15,000,000	Matanuska-Susitna Borough	Agricultural Processing and Product Development Center	Processing Center to freeze-process, blanch-process, and bottle locally grown fruits, berries, and vegetables into high quality, low-pesticide residue, consumer friendly products.	Mat-Su Borough
\$25,000,000	\$37,000,000	Matanuska-Susitna Borough	South Denali Visitor Center	Funding will be used for design and construction of road access, trail heads, parking, and the center itself. The State of Alaska has set aside \$8.9 mill in matching funds	Mat-Su Borough
\$1,200,000	\$750,000	Mat-Su Borough	Fish Passage Improvement Road Crossing Improvement	Replaces 17 fish culverts for spawning salmon	Mat-Su Borough
\$37,000,000	\$25,000,000	Mat-Su Borough	South Denali Visitor Center	Funds the design and construction of road access, trail heads, parking and the South Denali Visitor Center itself	Mat-Su Borough
\$6,000,000	\$6,000,000	Mat-Su Borough	Natural Science Education Center at Palmer Hay Flats	Funds a nature center that would provide year-round hands-on experimental learning, stewardship and recreational opportunities	Mat-Su Borough
\$57,000,000	\$57,000,000	Mat-Su Borough	Port McKenzie Rail Extension	Funds a rail extension from Houston, AK to Point McKenzie	Mat-Su Borough
\$50,000,000	\$25,000,000	Mat-Su Borough	Priority Roads and Bridges	Upgrades numerous roads and bridges including three of the states top five most dangerous roads	Mat-Su Borough

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$385,000	\$1,990,000	Meadow Lakes Community Council, Inc.	Meadow Lakes Multi-Use Community Center	Construct 6,500 sq foot multi-use community center building. Includes auditorium, commercial kitchen, office space, meeting rooms, and caretaker's apartment.	Meadow Lakes, Alaska
\$120,000	\$120,000	Missionary Aviation Repair Center	Kids to Camp	Funds the transportation of Native Alaskans to a faith-based summer camp	Western AK
\$0	\$0	Municipality of Anchorage	Sliding scale nonfederal match for urban area FTA recipients	Provide same sliding scale reduced nonfederal match for urbanized area FTA recipients as current law does for state and local FHWA recipients and state government FTA recipients, as well as similarly for state and local FAA recipients.	Affects Alaska and 13 other states with large amounts of nontaxable federal land and resulting lower state/local taxbase.
\$0	\$5,000,000	Municipality of Anchorage, Public Transportation Department	Reprogram funds to Anchorage People Mover transit needs	SAFETEA-LU Project No. 422: 7 & C Street Expanded Bus Facility and Intermodal Parking Garage - Anchorage, AK to rename the project to "Anchorage People Mover Transit Needs" and to provide a time extension so funding allocation do not lapse. The original project cannot be built as envisioned due to insufficient funds. Recommend a line item appropriation be reprogrammed.	Anchorage, AK
\$6,000,000	\$9,000,000	NANA Regional Corp	Shungnak Bulk Fuel Storage and Power Plant Upgrades	Fuel and power system upgrades in Shungnak	Shungnak, Alaska

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$3,000,000	\$20,000,000	NANA Regional Corp	Northwest Alaska Community Centers	Multi-purpose buildings, built to LEED sustainability and energy efficiency standards, and will provide office space for federal, state, tribal, and municipal govts, agencies, and employees, currently in old, overcrowded, inefficient, inadequate offices.	Sunghnak (to receive first center), Ambler, Buckland, Deering, Kiana, Kivalina, Kobuk, Noatak, Noorcik, and Selawik
\$17,000,000	\$35,200,000	Native Village of Eyak	Shepard Point Emergency Oil Spill Response Facility and Road	New emergency oil spill response facility and a 4.4 mile access road.	Cordova, AK
\$5,000,000	\$6,900,000	Native Village of Eyak	Whitshed Road Extension	To construct 2.55 miles of road through Hartney Bay Subdivision to provide access to buildable lots that have been contributed by Eyak Corporation to community members.	Cordova, AK
\$1,605,000	\$1,605,000	Native Village of Kluti-Kaah	Kluti-Kaah Community Recreation and Learning Center	Construction of new facility designed to provide supplementary learning programs for Native youth.	Native Village of Kluti-Kaah
\$900,000	\$1,245,000	Native Village of Kotzebue	Ted Stevens Way Road Improvement	This project will fund improvements to the 2.1 mile evacuation road which was not built to withstand the current traffic.	Kotzebue, AK
\$4,500,000	\$7,780,000	North Slop Borough	Arctic Research Center Rd	New access rd to area of Navy Arctic Research Laboratories that is less susceptible to coastal erosion	Barrow
\$5,000,000	\$51,000,000	North Slop Borough	Barter Island Airport Project	Funding for land purchase for airport on Barter Island	Kaktovik
\$1,800,000	\$6,600,000	North Slop Borough	Kuukpak Road Extension for Emergency Evacuation	Development of upland gravel source to support Kuukpak Rd extension	Point Hope

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$6,100,000	\$38,000,000	Northwest Arctic Borough	Buckland Community Piped Water and Sewer System Completion	Project will create piped water and sewer system for Buckland, Alaska. Already 85% funded, this final phase will complete the water plant, tank and uptown piped system by 2012	Buckland, Alaska
\$2,229,309	\$8,917,237	Northwest Arctic Borough	Retrofit Borough School District Bldg and ATC Bldgs w/ LED lights	Will retrofit all lights throughout the school district w/ LED lights in a four phase project	Kotzebue
\$12,033,350	\$12,033,350	Northwest Arctic Borough	AK Technical Center Remodel for Star of the Northwest Magnet School	Will perform renovations, construct additional classroom/shop space and equip and furnish vocational shops and classrooms to meet needs of vocational students	Kotzebue
\$17,000,000	\$17,000,000	Northwest Arctic Borough	Build Dormitories for Star of Northwest Magnet School	construction of 100 student dormitory will create space to meet needs of current and future residential vocational training	Kotzebue
\$2,000,000	10000000	Northwest Arctic Borough	Northwest Alaska Public Safety Improvement	The initiative will improve public safety throughout Northwest Alaska by increasing regional capacity to hire, train, and retain public safety personnel	Kotzebue, Alaska
\$500,000	\$500,000	Northwest Arctic Borough	Kotzebue-Kiana-Noorvik-Selawik Road Planning	Continue the planning effort for a proposed road that would connect the communities of Kotzebu, Kiana, Noorvik, and Selawik in NW Alaska	Kotzebue, Alaska
\$3,500,000	\$85,000,000	Northwest Arctic Borough	Noatak-Red Dog Road, Phase On	Continue design and engineering on a proposed 26 mile road that would connect Noatak with the Delong Mountain Transportation System	Kotzebue, Alaska
\$50,000,000	\$5,000,000	Nushagak Electric & Telephone Cooperative, Inc.	Nushagak Area Hydropower Project	Funds reconnaissance studies and initial design and permitting for the Grant Lake hydropower site	Dillingham, AK

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$31,174,000	\$31,174,000	Ocean Services LLC, Seattle	Address Hydrographic Survey Backlog	Fulfill need to address hydrographic survey backlog in waters off of Alaska, the Gulf of Mexico, and throughout the US	Waters off Alaska, Gulf of Mexico and other waters within U.S. 200 mile limit
\$4,732,000	\$9,452,000	Ouzinkie, Alaska	City of Ouzinkie Ferry and Commercial Vessel Dock Replacement Project	Plan, design, engineer and construct the replacement of a 45 year old pier in Ouzinkie, Alaska. This will accommodate state ferries, ocean going fuel barges, freight and cargo vessels, and small cruise ships, as well as provide for the repair and maintenance of commercial fishing and other vessels, delivering goods to the town, and shore-side tourism development.	Ouzinkie, Alaska
\$1,000,000	\$11,880,974M	Palmer Senior Citizens Center, Inc.	Construct new senior center	Construct new senior center in Palmer, Alaska to provide services to keep seniors living out of expensive nursing homes	Matanuska-Susitna Borough
\$20,000,000	\$20,000,000	Port of Anchorage	Port of Anchorage Intermodal Expansion Project	A DoD designated "Strategic Seaport." Supports military deployments and cargo handling for five military installations in Alaska. Home base of US Coast Guard's Marine Safety and Security Team (MSST).	Anchorage, Alaska
\$330,000	\$16,000,000	Port of Anchorage	Port of Anchorage Intermodal Expansion Project - Construction Dredging	USDOT project under the Maritime Administration (MARAD). Began in 2003 and will continue in phases until 2015. Replaces aged dock and terminal facilities, construct two new public barge berths, increase industrial acreage, improved and efficient intermodal connections to road, rail and river systems.	Anchorage, Alaska

Amount Requested	Total Project Cost	Requested by	Project Title	Description	Location of Project
\$10,000,000	\$75,000,000	Port of Anchorage	Port of Anchorage Intermodal Expansion Project	Completion of the North Extension, part of the critical path in project implementation. Once segment completed, the port will be able to move current container and general cargo operations off old facility.	Anchorage, Alaska
\$3,000,000	\$8,500,000	Port of Anchorage	Port of Anchorage Intermodal Expansion Project - Environmental Mitigation	Watershed environmental mitigation efforts to help prevent loss of tidelands and wetlands, address restricted anadromous fish runs, and improve declining water quality.
